sponsored by

2020 Grant Allocations Scheme
October 1st 2019

The Organizer shall grant a funding to the Teams who have complied with all conditions set on the 2020 rules, and with any amendments and extra requirements.

The amount of grant will be calculated based on two factors:

- The GDP per capita in purchasing power parities of the Teams country (IMF)
- The geographical region of the Teams country

Teams shall refer to the following tables to calculate their grant funding by adding the equivalent grant to their GDP group and the travel grant from their geographical zone.

GDP Group	Grant
A	1000 €
B	1500 €
C	2000 €
D	2500 €
E	3000 €
